Re: Argyle Creek

Dear Dale:

As you are aware, we are working with a very limited water supply this irrigation season. There is some concern that the water is not being distributed appropriately on Argyle Creek. Therefore, I would like to meet with you and the other users on Argyle Creek at the Nev Wimmer Ranch House in 9-Mile Canyon on Wednesday, July 5, 1989 at 4:00 p.m. Your attendance would be greatly appreciated.

If you are unable to meet at this time, please contact me and some other arrangements can be made so that we can visit about this matter.

Sincerely,

Mark P. Page
Area Engineer
